How to study with this guide

1 Watch or listen to the episode once, just following along.

2 Read each sentence here: the Korean, the romanization and the meaning.

3 Say every Korean sentence out loud. Then read the conversation to see how it is used.

4 At the end of each chapter, test yourself with the review.

5 Come back in a few days and tick the checklist at the back.

> Romanization helps at the start, but try to read Hangul as soon as you can. The sentences are in polite everyday Korean (haeyo style) unless a note says otherwise.
